INFORMATION DISCLOSURE STATEMENT

An explanation of the relevance of these items is that these references were cited in the PCT International Search Report for International Application No. PCT/SE00/00524, a copy of which is also enclosed.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made, or an admission that the information cited is, or is considered to be, material to patentability, or that the information is analogous to the subject matter of the present invention, or that no other material information exists. Further, the filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Written notification that the enclosed references have been considered in their entirety by return of a copy of the enclosed form, completed by the Examiner, is respectfully requested.

Respectfully submitted,

Dated: 15 Oct 2001
